

**Rajat Agro Commodities Pvt. Ltd.-
DEEP ROOTS, STRONG WINGS.**

Setting new benchmarks of quality in agro commodities

Rajat Agro Commodities Pvt. Ltd. is a leading Processor, Exporter and Importer of pulses, food grains and other agro commodities. With over 5 decades of strong presence, the company is a reputed name of the field.

Rajat Agro is a Government recognized Two Star export house, exporting its products to over 40 countries of the world. It is one of the top exporters of Soybean and India's largest exporter of Kabuli Chickpeas for the last three years.

It also enjoys an envious share in the domestic market and boasts of a pan-India presence.

With a sharp focus on quality, strong product portfolio and sound technological base, the company is on the path of rapid growth in the agro commodity sector.

Leading by example- People at the helm

The foundation of Rajat Agro Commodities Pvt. Ltd. was laid by Late Shri Kunjbihari Sarda with an aim to establish a world class entity in the field of agro commodities. His vision was provided a concrete form and structure by Mr. Gopaldas Sarda. With his sharp marketing acumen and inspiring leadership, Mr. Gopaldas Sarda has led the company to tremendous heights. A firm believer in the power of technology, he was the first person to introduce machine cleaning and grading of grains way back in 1980s. No wonder that Rajat Agro under his aegis has always stayed at the forefront of technology.

In the last few years, the third generation of the family has joined the company. Rajat Sarda and Rajul Sarda bring with them a lot of youthful energy and dynamism, adding modernity to the company and catapulting it to a higher growth trajectory. The symphony of youth and experience is paving the way for great success for Rajat Agro.

Our values, our guiding lights

Rajat Agro is driven by values. Honesty, Transparency and integrity are no mere words for the company but they shape its entire approach towards business. The company abides by ethics in principle as well as practise, something that has earned it a very valuable asset - the reputation of being one of the most trustworthy names of the field.

Quality is our topmost priority

Quality is accorded paramount importance at Rajat Agro. Its strong focus on quality has played a major role in earning the trust of the customers worldwide. A no-compromise approach towards quality is followed at every stage - right from procurement from the farmers to processing, packaging and distribution. Standardized systems and processes, regular inspections and stringent quality-control measures ensure that its products benchmark against the best in the world. The company is also committed to deliver the same standard of quality as it ventures into 'Farm to Fork' services in the near future.

Products par excellence

Rajat Agro provides a wide range of agro products to customers. All its products are hallmarks of pure quality, in line with its objective to provide the

best to customers. They reflect the high standards that the company strives to achieve at every step, right from procurement to delivery. The quality products make Rajat Agro one of the most respected names across the globe.
